

DESIGNERS
FOUNTAIN®

LOS ANGELES

At Designers Fountain, we strive to offer design-driven product at an accessible price.

With this catalog, we are proud to introduce our new collections for 2022, alongside timeless favorites from previous generations.

Moving beyond the basics, our Designers work to bring inspired design and materials from the world around. Whether it be architecture, finishes, textures or materials, the incorporated found elements help to create the clean, high-concept forms found here in many of our fixtures.

We invite you to browse the numerous possibilities to spark inspiration on how to bring personal and dynamic design into your home.

Designers Fountain has the **right light**, with the **right look**, at the **right value**.

CONNECT INSTANTLY

The fun begins when you open the box as these fixtures connect to your WiFi with no hub required.

CONTROL EASILY

You can control your lights with the WiZ app on your smartphone or with voice activated devices from Google Assistant, Amazon Alexa, Siri Shortcuts, or the IFTTT app.

SCHEDULE YOUR LIGHTS TO FIT YOUR LIFE

You can schedule your lights to come on/off at certain times of the day or to be triggered by detecting your phone when you get close to the house. You can even set them to turn on and flash your team's colors when they score.

HAVE FUN WITH COLORS

Choose from preloaded scenes such as Fall, Relax, Wake, or Party modes. You can also create your own fun scenes by choosing from the digital palette of 16 Million colors and 64 Thousand shades of white.

NO DIMMER SWITCH NEEDED

No need to install a LED rated dimmer on your wall. Dim with your phone or voice control devices.

SHARE CONTROL

The cloud based WiZ app gives you the flexibility to have multiple people control your fixtures, and you can set up guest control for specific periods of time.
